proves Service in 23

Communities.

More than \$483,000 worth of work

was found necessary this year to ex-

pand and improve the gas and elec-

tric service of this section, according

to figures made public today. This sum is considerably larger than the \$300,000 which was spent last year,

and shows the steady growth of com-

munities in Central New York. Some

of this work is nearly completed and

This year a total of \$222,000 will

be spent by the Empire Gas and

Electric Company to improve its gas

service and meet new demands. Ad-

ditions to the network of gas mains

alone will cost more than \$147.000.

Of this amount, the new main to Seneca Falls will take \$84,000, ad-

ditions to the distribution system in

Clifton Springs \$13,000; and gener-
